

“Giving up is not an option”

On June 02, 2022, Katharina, daughter of our scientific sales representative Monika Kleu participated

in the “Alpe d’HuZes” **Alpe d’HuZes**, a unique sporting event, that raises money for cancer research and for improving the quality of life of people suffering from cancer.

“Giving up is not an option” was the motto of this fundraising event and also the motto of Katharinas **Bee Team**, together with Gerdi Poelstra-Luurs, that turned out to be a real “A-Team” and successfully climbed the 21 turns (15 km) through the Alps.

CellSystems GmbH, as joint sponsor, was happy to support this engagement, contributing to the decent amount donated.
